Re: Odessa Main Street Reconstruction

Dear Resident,

We are preparing for upgrades to Township infrastructure on Main Street in Odessa over the next several years. The work is planned to stretch over several construction seasons. The reconstruction work in 2026 will be focused on Main Street between West and Mill Street, Mill Street, and Durham Street.

The Reconstruction work this year shall consist of the following:

- Road reconstruction on Main Street, Mill Street, Durham Street
- Watermain reconstruction
- Sewer main reconstruction
- New multi-use pathway on the south side of Main Street
- Drainage improvements, including curb and gutter

The County has advised that construction will begin in May/June 2026. Full road closures of Main Street and detours will be required for some stages of the project, and pedestrian access to sidewalks on Main Street may be impacted. Currently, a full closure of Main Street in Odessa is being planned. Details surrounding the closure and detour route will be shared as soon as known. Residents can expect delays during construction and are encouraged to plan alternate routes where possible.

The Contractor will maintain access to all driveways; however, circumstances may cause temporary disruptions. If this is to occur, the Contractor will contact affected residents individually to plan for any closures and make every attempt to accommodate special circumstances.

During this project, there will be occasional water service interruptions to facilitate this work. Residents will be notified well in advance of any shut down.

Loyalist Township is committed to ensuring that this project will have the least impact to property owners along the road and a Township representative will always be on site during the work. They will be more than happy to discuss any questions or concerns you have.

We'll communicate during the project in several ways. To share time-sensitive information, we will knock on your door and/or hand-deliver a notice to your home. Also, we will update the project website and send updates by email. You can sign up for email updates by visiting Engage.Loyalist.ca, selecting the project, **Odessa Main Street Reconstruction**, and clicking "Follow".

Throughout the project, if you have questions or concerns, please feel free to approach Township staff onsite, submit a question through the Engage Page noted above, or to contact staff at the information below.

For all **Roads** related inquiries and concerns (roadway, sidewalks), please contact:

Dan Baxter - Manager, Roads and Bridges for the County of Lennox and Addington

613-354-4883 ext. 3236

For all **Water** related inquiries and concerns (water, sewer, temporary water), or work on Durham Street or Mill Street, please contact:

Joe Gratton - Project Supervisor for Loyalist Township

For any after-hours emergencies related to the project, please contact our after-hours number, 613-507-3069, and Township staff will respond.

Yours truly,

Joe Gratton
Project Supervisor
