Re: Odessa Main Street Reconstruction - Public Information Centre

Dear Resident,

Loyalist Township invites you to a Public Information Centre (PIC) for the Upcoming Reconstruction of Odessa Main Street Project on **Monday, November 9, 2026.**

This hybrid event will be held in person at Odessa Council Chambers, 263 Main Street, Odessa, and via Zoom. Residents are encouraged to join us to review and discuss the project. A recording of the presentation will be made available afterwards on the Engage Page.

The project is being undertaken by the County of Lennox and Addington, which is responsible for the full-depth reconstruction of Main Street and storm drainage improvements. Loyalist Township will coordinate the rehabilitation of watermains and sanitary sewers concurrently with the road works. The project is being undertaken because the County's road surface is reaching the end of its service life and is due for reconstruction. The underground infrastructure is also nearing the end of its service life and requires replacement. This work also provides an opportunity to improve pedestrian safety and parking along Main Street.

Draft Drawings for the project will be available, and Township staff will be on hand to discuss, answer questions, and address concerns.

Project Highlights:

The proposed scope of the work includes:

- Full road reconstruction of Odessa Main St between Mill Street and William Street.
- New sidewalks
- Reinstatement of On-Street Parking
- Replacement/repair of watermains, sanitary and storm sewers, and right-of-way drainage improvements
- New Pedestrian Crossing at Factory Street.
