Dear Resident:

Re: Potter Creighton South Main Infrastructure Upgrades

We have been advised by K. Mulrooney Trucking Ltd. that, in the upcoming days and weeks, they will start to mobilize construction equipment and materials in your neighbourhood for the 2025 phase of the infrastructure upgrades project.

During the project, we will communicate with you in several ways: for time-sensitive updates, we may deliver notices to you directly. We will post updates on the project webpage on the Township's Engage Loyalist platform. Visit <https://Engage.Loyalist.ca> or scan the QR code below. We encourage you to visit the page and click "Follow" to receive an email when we post an update.

Throughout the project if you have questions or concerns, please feel free to approach Township staff onsite or to contact me directly by phone or email as below. For any after-hours emergencies related to the project, please contact our after-hours number, 613-507-3069, and Township staff will respond.

Yours truly,

Joe Gratton
Project Supervisor
