K. Mulrooney Trucking Ltd.

CONTRACTOR'S NOTICE TO RESIDENCES OR BUSINESSES

February 28th, 2024

K. Mulrooney Trucking Ltd.
1280 McAdoo Lane,
Kingston ON,
K0H 1S0

Dear Owner (or Occupant),

K. Mulrooney Trucking Ltd. (KMT) has been engaged by Loyalist Township for the Potter, Creighton, South and Main Reconstruction project, for which work will occur near or adjacent to your property. Work will take place approximately between March 10th, 2025, and the end of October 2025 for Potter Drive, Creighton Drive, and South Street W.

K. Mulrooney Trucking Ltd. will be installing new watermain, storm sewer main, and sanitary sewer main throughout the project area, which includes completing water and sewer services up to property lines as per KMT's Contract with Loyalist Township. Services past the property line and into homes and/or businesses are at the sole responsibility of the property owner, and as the property owner, you may choose - at your own discretion and expense - to replace the water service and/or sewer service into your home or business. If you are interested in extending your service, you may contact K. Mulrooney Trucking Ltd. at estimating@kmt1953.com for a free quotation.

Please place garbage and recycling at street side before 7:00 a.m. on collection day. During periods of road closure, we will move garbage and recycling to a predetermined street corner for collection and return bins to respective properties. Please clearly label all garbage and recycling bins with your address for this to be done seamlessly.

K. Mulrooney Trucking Ltd. will take every precaution to minimize interruptions to normal daily activities. We please ask that you refrain from parking close to the area of construction during work hours so we can expedite the work at hand. We warn that on certain days you will not be able to park in your driveway, but street parking will be available.

K. Mulrooney Trucking Ltd. complies with the provisions outlined in the "Accessibility for Ontarians with Disabilities Act", AODA 2005. We encourage residents with any disability to notify our company prior to construction start-up so we can address these issues and help minimize any interruptions in your daily lives.

Thank you for your understanding as we work together to build better lives for the Loyalist Township community. Should you require any information or assistance due to construction, please contact:

Site Supervisor, Sergio Sousa: 613-561-5264
Project Manager, Chris Mulrooney: 613-876-6416
